A Message from the Pres

Hi Everyone

This week was a project and planning evening all team leaders presented what they are working on at present and what projects the club is continuing support over the next Rotary year. Our pre meeting 45-minute Mix & Mingle time, seems to be very popular with all. This is a "join us if you want too" social time as most members thought we just didn't have the time to socialize at the meeting. So glad everyone is enjoying this added time to our Tuesday evenings.

Last month we visited the Ryman retirement village in Highton and discovered the Yuri Bear project that staff, residents, and family members are involved with. Some of our members were quick to ask for the pattern of this happy little bear. I have added more information for you but want to share our first little friends that have been knitted by Telsa Stubna and Telsa's sister Glenda. Well done ladies. Do we have anymore to add to this little group, please send me a photo to add to the Bollard.

This week tickets went on sale for our annual Trivia Night. This can be a great way to catch up with friends and family. Book a table online with trybooking, Information is on the ticket, and come along and make a difference to your local community. Go to <https://www.trybooking.com/CCKAD> to purchase your tickets today.

Next week will be a very busy weekend with two **Bunnings BBQ booked. We have the Thursday 22nd plus Grand Final day 24th to organize.**

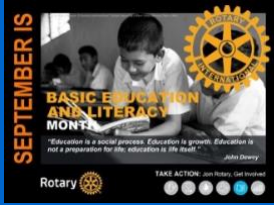

You have received a "Please come if you can" email, click on the link and it will take you directly to the clubrunner site to registered. This makes Dan's job so much easier as he can see immediately if we have a full contingent or not.

Grand Final Day BBQ is for **Kids with Cancer** and is a **Footy Colours Day**. So come dress to impress in your colours, and let's make a difference to KIDS WITH CANCER.

Stay well and keep smiling
Cheers
Jo

Show you care with a Yuri bear

Let the children of Ukraine know they're in our hearts and minds by putting some time and love into knitting a Yuri Bear.

Following the devastating events in the Ukraine, thousands of children have been evacuated to other countries, or have found themselves displaced or stranded at the Ukrainian-Polish border.

Many children have had to evacuate without their parents, with little or no time to pack their belongings. Being so far away it's difficult to know how to help, but even the smallest gestures can make a huge difference. The Yuri bear initiative is our way of sending a symbol of love from afar to the Ukrainian children – we'd love your help to bring this to life.

We'll provide you with a simple teddy bear pattern, instructions, and some creative suggestions. So, even if you're a novice knitter it will be very easy to craft.

We've set ourselves a target to create 20,000 Yuri Bears. Therefore, even if you don't knit, you'll likely know someone who does. So, please help to donate at least one bear from you, a family member, or a friend. This way, we can bring smiles to the faces of as many Ukrainian children as we can.

Get in touch with Telsa if you would like this pattern- telsastubna@gmail.com
