A Message from the Pres

Hello everyone.

On Tuesday 15th we had a lovely social gathering at The Great Western Hotel. Thanks to all the guests who attended. Lyn, Mick and Mietta Corby, Paulette, David, Jan, Shirley, Ben. Bev and Deb. It was great to see so many attend, to hear our very own Rotary Youth Exchange Student Mietta give her presentation.

Well done, Mietta, you did a great job. Thank you for the yummy Italian biscuits you brought for everyone. It was a great social evening of chat, laughter and good company.

I did a GT drop off of lids on Tuesday morning- a few pics so you can see how many lids we keep out of landfill.

Next Tuesday we will be hearing from Dr Tony Hall at the Navy Club on all things Volcano. This will be so interesting, and I am sad to be missing it. Please see below for all the details.

Thanks to Daryll, who attended a publicity shot with Councillor Ron Nelson for the “Carols in the Park” event that we are supporting. Great to get our brand out there. Our November 1st Bunnings BBQ is coming up and all positions are filled. Thanks everyone. Also don’t forget to book your tickets for our Trivia night on November 22nd, and let Jo know if you have any items for the Silent Auction. Enjoy the beautiful weather
Aileen

THANK YOU TO

November 25th – December 10th, 2024 – 16 Days of Activism

Included in this event is the Zonta Walk to be held on Sunday November 24th at 10 am at Johnson's Park Geelong

Committee members have been asked to prepare a short video message which will be shown during the 16 days.

February 2025 – The Geelong Committee is floating the idea of a training session in Family Violence Awareness for Hairdressers, Beauticians and Barbers. It is thought that it might be a breakfast session at the Sexual Assault Centre in Geelong West. They would do the training, but Rotary may be asked to provide the breakfast for those who attend. Another great way in which Rotary can be seen being active in the community. Details TBA

On Oct 22nd We have a very interesting speaker, retired Geelong skin specialist, Dr Tony Hall, joining us, Tony is such an interesting man with many interests, one of them being Volcanoes. You will be hearing many facts about what effects Volcanos are having in the world today. Do you know how many volcanoes there are in Australia, and where is the largest Volcano. Can Volcanoes change our weather? Tony is very passionate about his hobby and travels the world visiting active volcanoes. So it is great that Tony will be spending the evening with us, fitting us in between his travels. Please invite partners, family and friends to join us. Remember you can arrive at 7:00, for a pre meeting drink and some cheese tasting, and the meeting starts at 7:30 at the Navy Club.
