A Message from the Pres

Hi everyone,

Well, what a wet and miserable day/weekend we have in store. Thank goodness we are not doing a BBQ today or tomorrow. We do however have quite a few BBQ's lined up in the next few weeks so please have a look on ClubRunner and see if you can help out. We are in need of a server for next Friday 6th in the morning.

We had a great Guest Speaker night at the Navy Club on Tuesday, with Dr Gemma Clarke from CSIRO telling us all about her work in Australia's Biosecurity field. Such important work to maintain our food supply and the health of our animals and people. We also heard about the current situation with Bird Flu and the local egg shortage. Gemma could have answered questions all night, but we did have a "cheese and wine" night to indulge in.

Thanks to Dan and PK for bringing along guests. It was great to meet Arnie and Zui.

The proposed meeting on Dec 3rd with Geelong East RC, with a speaker from Cancer Cushions will not take place due to scheduling problems, so we will have our Board meeting at the RSL on Tuesday night.

Jo and I are going to the Geelong Youth Engagement Breakfast early Friday 6th and I am really looking forward to hearing how their Kokoda trip went, and all that GYE are involved in.

Judy E and Rick are away on holidays, and we wish them a fabulous and relaxing time away.

Enjoy your weekend and stay dry.

Aileen

THANK YOU TO OUR SUPPORTERS

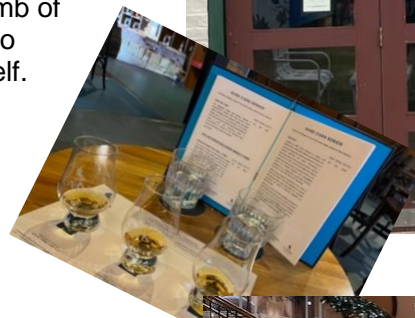

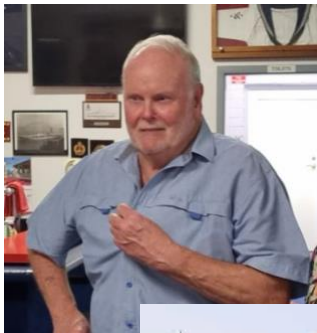

OUT AND ABOUT

The White are on the Silo and trail currently at Sheep Hills between Minyip and Warracknabeal and onto Sea lake.

Judy E is on the high seas sailing around Tasmania on the Queen Elizabeth with a touch of Christmas. First stop Hobart and a visit to the Lark Distillery. I am sure she is having a fabulous time.

Rick and Jan Berry are on the way to India To see, among other wonderful sites, the Taj Mahal. It is an ivory-white marble mausoleum on the right bank of the river Yamuna in Agra. It was commissioned in 1631 by the fifth Mughal emperor, Shah Jahan to house the tomb of his beloved wife, Mumtaz Mahal; it also houses the tomb of Shah Jahan himself.
