

A Message from the Pres

Happy New Year everyone.

I hope you all enjoyed your Christmas and had an opportunity to spend precious time with family and friends. I know some of you have been away relaxing and some have stayed on the job at home, wherever it has been, I hope you enjoyed every minute. I am sure like me you are planning an exciting year ahead. 2022 is now behind us and although Covid is still with us, I feel we are all learning to live with it and we are getting back to how life used to be pre-2019.

We started the year with a Bunnings BBQ on January 6th and a very successful BBQ it was. As always Dan sent out a thank you to all involved and informed us all that there was an approx. \$1400 profit for the day. Well done to everyone concerned, plus always a fun day with plenty of Christmas stories and laughter. Next BBQ is on Friday Feb 3rd. Can I ask you jump online early and put your name down as this takes the stress out of the planning process for Dan.

What a lovely evening we had on Tuesday 17th, the first get together for the year was held at our annual BBQ in the gardens to say thank you to our fabulous friends of Bayside that support us throughout the year with Bunnings BBQ, Ariston House BBQ, and all the regular service projects we hold throughout the year. Unfortunately, the very hot day kept a few away but when the welcomed change arrived it did so, taking the tablecloths and wine glasses with it. There were a few very wet laps, but no damage done. Thank you to all the members for supplying a fabulous selection of Salads and desserts, while our chefs for the night, Dan Furlan and David White worked over a very hot stove

to make sure everyone had plenty to eat. Well done everyone. But some members couldn't make it along, one being Andrea Patterson that got in touch to send her apologies and share a photo or two. Andrea is working at Cave Hill Creek a school summer camp in Beaufort over the school holidays. Looks like a great spot Andrea, thanks for sharing.

Happy new year everyone
 Regards Jo

JUST FOR LAUGHS

THE BEST SENIOR

PICK-UP LINE...one to remember if we can

A very elderly but bright-eyed gentleman walks into an upscale cocktail lounge.

He's very well dressed, with hair well groomed, great looking suit, flower in his lapel smelling slightly of aftershave.

He sits at the bar next to an elderly-looking lady tricked out in a modest but very becoming cocktail dress.

The gentleman walks over, sits alongside her, orders a drink, turns to her, and says, "So tell me, do I come here often?"

Update on the program to eradicate trachoma in Australia

Just before Christmas, clubs who participated in the project to create and deliver 2000 toiletry bags to schools in the Alice Springs area received an update on the results. It was fantastic to see that the bags had really made a difference in levels of trachoma - from 18.3% to 3.7% of 5-9 year olds in the communities sampled. Congratulations to all clubs that participated in this project. Click the Read More link to see information in the complete email.
