A message from the Pres,

Wow, what a fabulous night that the Group 9&10 environment team champions put together on Monday night. From the minute that you walk in the door the fun began with a wonderful way to find your table, "pick a herb" we were told, so all the thymes, mints and the rosemary's sat together, meaning that there was a wonderful mix of club members meeting each other.

Our Green Queen Aileen was very successful with her Bee Houses, she with the help from Rick made one for each table, 10 in total, and first in could purchase it for \$25 each, Bayside profit from them was \$250 to add to our Ukraine Seed Selling day at Westfield Shopping centre. Rick Brown was a little excited about having to help make 6 more bee houses as Aileen took orders for those that missed out, so total being \$550, fabulous effort to the Browns, and if anyone has any spare hand crème, I'm sure Aileen would appreciate it, apparently bamboo can be hard on the hands.

I had the opportunity to sit with Sarah, Community Service director of Rotaract Geelong, and suggested they might like to join us on our seed day, well done Aileen for following up, will be so good to involve the Retractor's with some of our community projects, such a great bunch of young people.

Also seemed to be a great networking night for Days for Girls, President Beryl from Geelong RC was very pleased to hear from Telsa and the work she does with DFG, they have a Inner Wheel group that would like to be involved with Telsa team.

Linda Carr from RC of Geelong Central organized the fun items for the evening, on e being Environment Bingo, what a fabulous way to meet our fellow dinners and to catch up with other club members that we haven't seen for a while. Congratulation Diane Webb for taking the prize.

It seems to be a "green" week this week, with a seed packing day in East Geelong on Wednesday, beautiful little packet, made by Aileen, were filled by Andrea Aileen Shirley and me, ready to sell for Ukraine on Saturday. If you are free, call in and say hello and purchase a seed packet, when they grow, they will put a smile on your face, and you will be helping the people of Ukraine.

Regarding the Drone Expo, Ian and I had an appointment on Wednesday with John at Beckley Park to meet with Pat the electrician, to get costings for our Drone Exhibitor Booths. As soon as that is done, contact with businesses will start to move forward.

Then on Thursday a meeting with 2 other members of the team to establish the wording of the brochure being sent out to Exhibitors, Speakers, and Sponsor, was held at the at the Yacht club. Things are moving along nicely.

Great week everyone, well done once again
 Stay safe and keep smiling and
 Cheers Jo

SEED PACKING DAY FOR THE UKRAINE

Next Bunnings BBQ

Friday June 3rd
8.30am – 4PM

Thank you for those that volunteered on the day

Friday July 1st

Friday August 5th

Friday September 2

Friday October 7th

Friday November
4th

Friday December
2nd

What a lovely day we spent together packing the Seeds for Saturday Seeds for Ukraine. Good conversation and lots of laughter.

So happy to report we have two members of Rotaract joining us to sell seed and raise funds for Ukraine.

JUNE BUNNINGS BBQ

Interesting day at Bunnings this month with a small truck left in the wrong place by the staff and then couldn't be moved.

All the guys had a try to get it going but seemed the key only opened the door but didn't start it, so finally we decided to work around it and just pretended it was there.

Thank you to Peter K for all his organisation and to Peter H for picking up the bread and sausages. The morning team comprising of two Friend of Bayside, Brian Mundy and David White plus Dan Furlan & Jo W got the day started with the help of PK. Then the afternoon team of Ian A, Shirley M, Telsa, also a family member of the Kavenagh's "Finance" what a pleasant young man. Thank you Finance for spending the time

with us, hope we get to see more of you. Also thank you Andrea P for calling in to see if she could help, always much appreciated. Thank you, Shirley M, for organizing a very smart new till and donation box, both looking very professional. Great job everyone, thank you.

NETWORKING EVENING AT BUNNINGS

On the June 15th Andrea P and Jo W, will be attending a networking evening with other participating BBQ groups and to meet the new Activities Organiser Lauren Schwab. Nothing beats face to face contact when there is a new person in charge.

What is wrong With this Picture ??

Are there any issues anyone would like us to bring up apart from the present price we are charging? If there is, please let Andrea or Jo know in advance.

2022 Zone 8 Rotary & Rotaract 'BETTER TOGETHER' CONFERENCE
Perfect time to visit our capital city.

Coming to Canberra 20-30th October 22
Zone 8 Conference.
Rotarians from Australia New Zealand and the Pacific Islands

There will be stories from Rotaractor and Rotarians helping locally and internationally, and these need to be heard and this is the time to tell them. There will be a diverse and exciting line-up of speakers to entertain, engage and inform you.

Tickets sales will open in May 2022

More information coming soon

Spotted this in Rotary Club of Corio Bay newsletter recently.
Hope editor Barb Abley doesn't mind me sharing.
Just love it and how true
Thank you, Barb.
