## A Message from the Pres

Hola a todos,

I hope everyone is well this week.

This week we had a board meeting at the RSL. Great to see Dan and Peter Hynes attend our meeting this week. A lot of valuable experience with those two gentlemen. We are very lucky in our club with all the experienced and helpful members we have on the board, which is invaluable to a very inexperienced President like me. Thank you all so much for your help and guidance this year.

Jo pointed out an article in Rotary Downunder regarding Shelter Bags for the homeless. Bayside purchased all 10 that were available, and I picked them up on Wednesday. I will bring one to the Club assembly on Tuesday night at The Navy Club. We will also go through the causes we supported this year. Most of these are on the email Shirley sent out last week. Friday's BBQ looks like it was a successful one.

Well done to everyone involved, before, and on the day.

Figures will be available shortly.

It was announced this week that the new Rotary club in Geelong will be known as The Rotary Club of Greater Geelong. This is the result of the merge between Geelong and Corio Bay.

Safe travels to Rick and Jan Berry, Daryll and Di Webb, and Judy and Phillip Beasley.

Nos vemos a todos el martes por la noche,

Ian

## THIS WEEK IN THE CLUB

### BUNNINGS BBQ

The sun shone for most of the day for our Friday's BBQ, and when the sun comes out, so do the people, so Friday was a good day.

A morning team of Judy E, Dan, David & Jo and the afternoon team of Telsa, Aileen, Andrea & President Ian all agreed it was a good opportunity to meet the people and add to the fundraising coffers for the last time this Rotary year.

Thank you to Ian for collecting the trailer, to Peter H for the sausages and bread delivery and to Judy E for collecting the onions once again. It's all about team work and we have some good teams plus Friday everything went to plan.

David & Ian kept the sausages coming throughout the day and we even heard it said it was better service than a Michelin Star Restaurant. 😊

Dan found a spot for a quick break after a very constant morning plus a nice surprise, we had past Rotarian John Spiteri and Pam call in to say a quick hello after their recent trip to the UK.

To our friends of Bayside, our BBQ are always good fun and a wonderful opportunity to come and join us whenever you have the time, we always appreciate a little help from our friends.

**MORE INFORMATION ABOUT SHELTERBAGS.**

Community chair Jo White

Things have moved very fast since last weeks first mention of Shelterbags. More information was given to the board, and all agreed it was a wonderful Community project. Contact made with Anne Grant from the RC of Mt Waverley, and we were excited to hear there were bags available for us to purchase.

Thank you to President Ian for making a quick trip to Mt Waverley to collect bags and have them ready to share information with other club presidents in and around the Geelong area on Thursday evening.

They are light and easy to carry, complete with mattress and pillow, room for a sleeping bag inside, waterproof and branded well with our Rotary Wheel, and as Treasurer Shirley demonstrated easy to use.

Now we are ready to get them out to the members of our community that are sleeping ruff, and to give them a little warmth and dignity.

A fabulous initiative that has a wonderful story behind it.

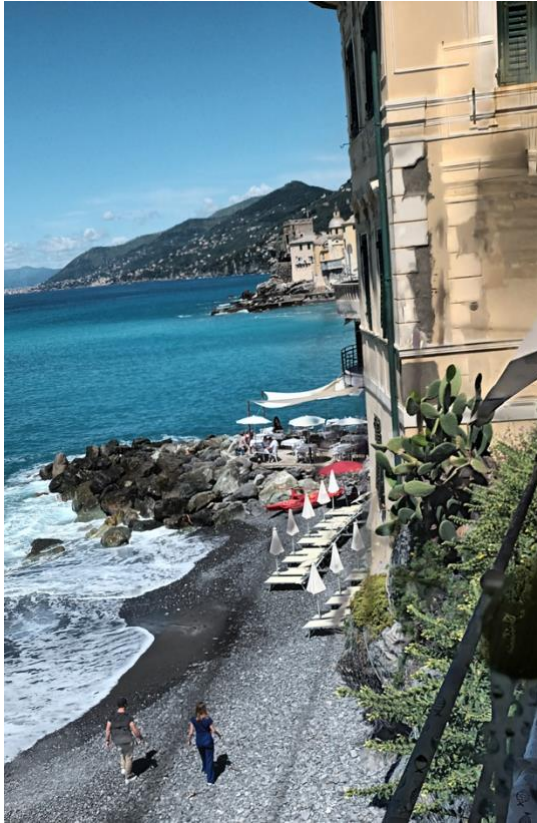

The bags also have a club contact number printed on them so if they are left somewhere we can be contacted to collect, then have cleaned and get back out there for somebody to else to use. Totally recyclable.

**Who is getting  
OUT AND ABOUT this week**

**Daryll and Diane Webb** reported their trip is going well and spent a wonderful day Celebrating **Italian Day** on the Riviera, and sampling **Grappa**.

**FYI, Grappa** is an alcoholic beverage: a fragrant, grape-based pomace brandy of Italian origin that contains 35 to 60 percent alcohol by volume (70 to 120 US proof). Grappa is a protected name in the European Union.

Grappa is made by distilling the skins, pulp, seeds and stems left over from winemaking after pressing the grapes. It was originally made to prevent waste by using these leftovers.

**SOCIAL TUESDAY IS COMING UP, SO –I’M INVITING YOU TO JOIN ME FOR A SPOT TEN PIN BOWLING.**
