A Message from the Pres

This week we welcomed Lesley Shedden DGN to join us for our Guest Speaker week. Lesley answered the question for us, What is Regionalization? How interesting it is that we all seem to be on the same page. We all understand that people (the community) just don't seem to get who we are. Ask the question who or

what is Rotary and even today people will answer the question. It's a men's club for older wealthy business owners. Although everyone will see a group of men and women of all different ages cooking sausages at Bunnings to raise funds for their community every weekend. We can't seem to get the message of Rotary across. So maybe it's time to make some changes. As they say, it's a sign of madness to do the same thing over again and expect a different outcome. Lesley's presentation was easy to follow, and most members had comment of agreement not too many questions, as all was explained well. Thank you, Lesley, and great to have you join us for our new Mix & Mingle pre meeting get together as well.

We also had a few of our "travelers" back with us this week, good to see Judy Beasley returning from holidays in from NSW, Ian Aranyosi from Darwin, Daryll Webb from Longreach NSW, and Rick Berry from all over NSW. Welcome home to all. Aileen Brown is still in France having a wonderful time at a family wedding. It seems we are all happy to be traveling once again.

Dan Furlan spoke about the SPAN community BBQ we have coming up and how important it is to remember, it isn't all about raising funds, but helping our community. Judy Beasley passed on the information regarding Shelter Box of Pakistan. The possibility of every club in District 9780 giving \$1000, that would be 54 families that would have a place to call home until they can rebuild their own home. Or even if clubs shared the donation, 27 families would be in a better place.

Then we had the wonderful induction of Susan Paulley to our club. I think we are all happy as Susan has been a friend of Bayside for 6 months, a regular at BBQ and community events. Susan's background is nursing and with JT her husband and 2 children, arrived from the USA a few days before Christmas 2021. JT is working with CSIRO here in Geelong and we are so happy to have them as part of our Rotary family. Susan was sponsored by Judy Eyles and will be part of the community

service team and Judy Beasley will be Susan mentor, helping Susan discover the wonderful world of Rotary. Welcome to Susan and the Paulley family. Another enjoyable week

Stay well and keep smiling
 Cheers
 Jo
