A Message from the Pres

Hi Everyone

Let's talk BBQ

Great day last Saturday at the Bunnings BBQ, there was a few issues with rosters being changed, but it all worked out well. How fortunate we are to have many Friends of the club, to jump in when needed. Thank you to Robyn and Brian Mundy, John Faulkner, and Gary Robertson. Also, members Judy Beasley and Aileen Brown for changing their family plans to help at the BBQ. Plus, Brian Burch Telsa Stubna and of course Peter Kavenagh completed the team.

Judy received some great feedback from a customer, that commented, we were the most organized and efficient team he had ever seen at a Bunnings BBQ. Wow! How nice was that. But holding the BBQ is just half the job. Ordering, collecting, and getting everything ready for the day takes time and energy, Peter's pre team, Dan Furlan and Peter Hynes make sure everything is ready when we all arrive, and I was pleased to see a message that was sent to Peter after last Saturday, that I got permission to share.

"Well done PK It's been a long tiring day for you as it is appreciated that your work doesn't stop when the trailer is loaded at Bunnings at the end of the BBQ day.

To not only having to unload the excess perishables and clean up the 'greasees' there is the paperwork report to prepare.

I collapsed in a heap for an hour upon returning home so I can only guess how you ended up after the work you put in for a very long day and I contend all others who volunteered for the day were similarly exhausted and appreciate the time and effort that you put into making these BBQs so successful.

On behalf of Bayside, thank you.

BB"

It always nice to know you are appreciated, and I think this says it all. And from me, great job team!

The AGM was held this week without a hitch, thank you Secretary Daryll for having everything in place, so all went smoothly, so we were able to move on to the planning meeting, covering a few of the projects that need to finalise by Christmas.

Many dates in the diary between now and the end of the year, first one being the Trivia night. On the 19th. So much work and effort has gone into this fundraiser and very happy to say it is sold out and all in place for a special evening. Great job Judy Eyles.

Telsa and Brian Burch have finally been able to put a date on the Bonfire night, not quite the event that was planned earlier in the year, but restrictions have made it a little difficult holding this on private property. Now we have a go ahead on the Invitations to join this family day will be sent to all Geelong clubs.

PK confirmed 26th Nov 2nd & 3rd Dec are all BBQ dates and he ask can you add your name to the volunteer segment on clubrunner

And then there is Trivia, what a fabulous evening Judy and her team put together, thank you to Anne and David Cotsell for running the Trivia segments of the evening, and to our auctioneer David Patterson, thank you very much for all the preparation to make the evening a success. To all the members of Bayside, Partners and Friends of the club for just jumping in when they saw what was needed doing.

I do not have the outcome yet, but it seems funds raise will be around \$8500+ for Lift the Lid and local community projects. Great job everyone. And of course, must mention the Rotary Club of Geelong took the trophy of the smartest Rotary Club Challenge, making President Beryll very happy. Also, fabulous to see so many of the Geelong clubs support the evening.

Well done everyone and thank you

Stay well and keep smiling
Cheers Jo
